

Paranormal Insights presents...

# HAUNTED HOT SPOTS

Paranormal Insights is proud to bring you special classes in some of the West's most haunted locations. These extended classes will give participants the opportunity to develop their psychic talents in fantastic locations around the West. Join me for a special class and psychic-based investigation of the stunning, and very haunted American icon, The Stanley Hotel that opened July 4th, 1909.

**MAKE RESERVATIONS AT [www.paranormalinsights.net](http://www.paranormalinsights.net)**
